FOREWORD

As editor of the 1964 yearbook, I am very proud and happy to present you with a new and different book.

It is different in two major respects. First it is arranged seasonally with the activities in their respective seasons, and secondly, it includes the important spring activities which have not previously been featured.

The staff has received a great deal of pleasure in compiling this pictorial record of a memorable school year, and we wish to extend a very sincere thank-you to our adviser, Mrs. Hutchcroft, and to Mr. Findley, sponsor of the camera club who did a great deal of our photography. I would also like to thank the staff who worked many long hours to meet the deadline.

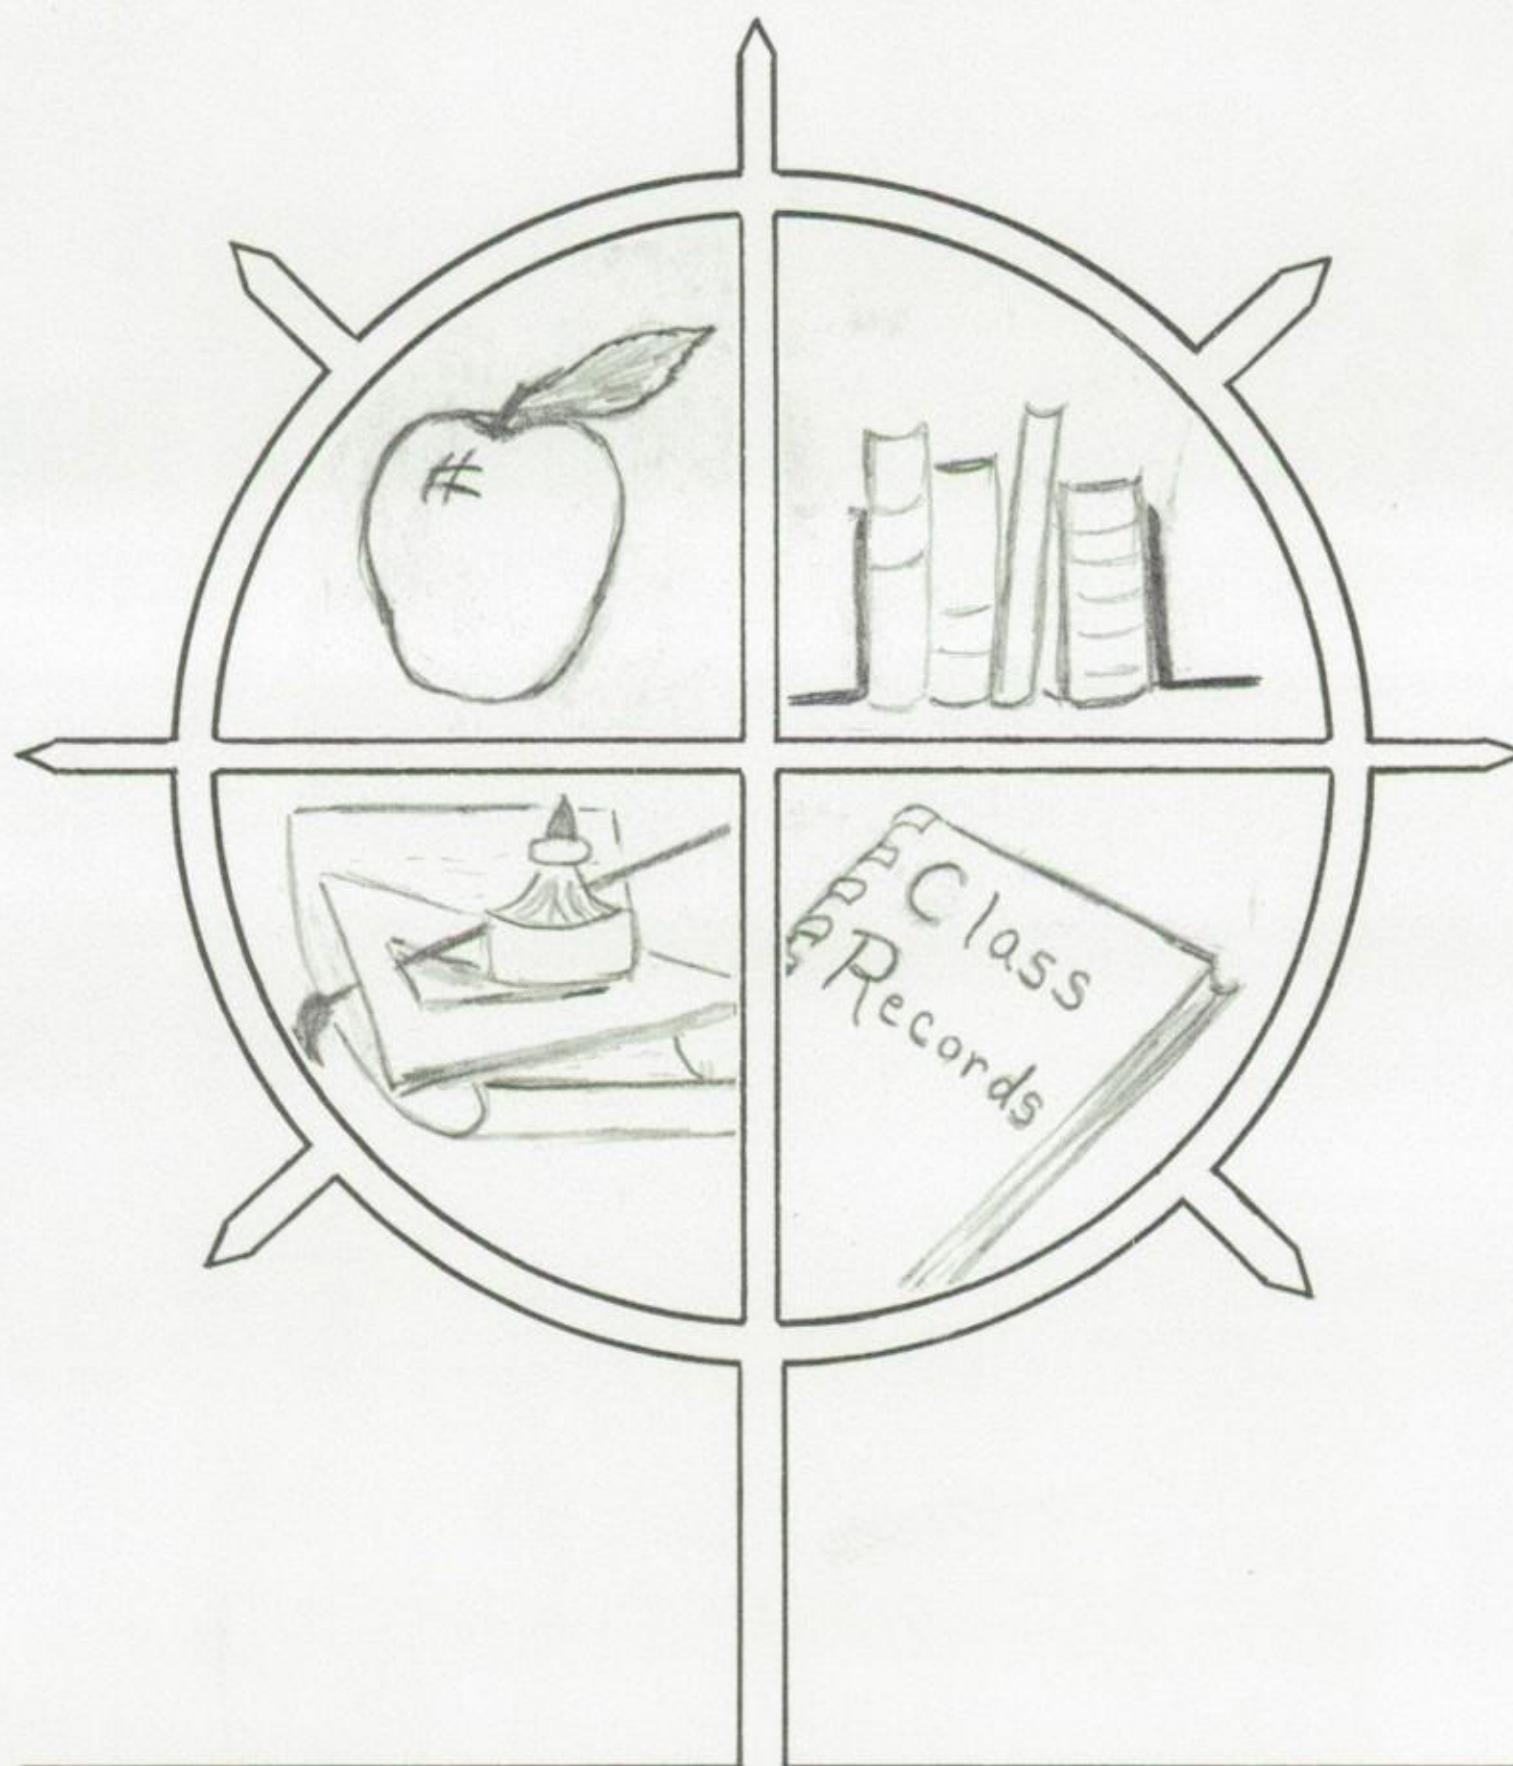

I know that you will enjoy this the 1964 yearbook because it is YOUR yearbook, composed with your pictures and your co-operation.

Jeff Patterson - Editor

BOY'S BASKETBALL

The 1963-64 basketball team was one that many consider the best boys team Mediapolis has had in recent years. Many of the games were really thrilling, especially the Danville and West Liberty games. Two squad members, Owen Heitmeier and Louis Becker, were voted on first and second all-conference teams respectively. Danny Stoller and David Trevitt were given honorable mention.

Rendezvous of the Stars

Can you do better, Jerry?

Dame von Daed-low and Bruche da Bella Sargente

Do I have my wings on straight?

The littlest angel.

"Rendezvous of the Stars" was the theme of the Jr.-Sr. Banquet and Prom. The gym became a star-studded sky with the balcony transformed into a staircase surrounded by clouds.

The meal was prepared by mothers of the Junior class and served by ten angels flitting about with wings and halos.

The program included the reading of the prophecy, the reading of the will, an interview with movie stars, and songs "You Are Free" and "Moon River" sung by Gerrie Schulte and David Licko.

A band, the Velvettones, provided music for dancing and at 11:00 pink balloons were released to make this "Rendezvous of the Stars" memorable for all those present.
